We walked through the comments, made assignments, and flagged one that will need to be raised to the DAA's.

Russell and Bob are responding to the comments on the guidance document and I'll work on the FR Notice with help from Alyssa & **Ex. 5 Deliberative Process (DP)**

We'll send the mark-ups around on Monday for folks to comment on.

This is the comment that was flagged in the Summary for the guidance document:

Ex. 5 Deliberative Process (DP)

After we've agreed on the responses/edits, the documents will go to Rick and the DAA's on Tuesday for their approval, before sending the responses to OMB.

Please note that there might be a second set of comments from USDA next Tuesday.

Thanks everyone!
